June 1, 2009

For Immediate Release:

Horizon Business Concepts is proud to announce the certification of its flagship software program, *TotalFBO*[®], under the PCI Security Council's PA-DSS security program. This is a vital step for all users of the *TotalFBO*[®] program who do credit card processing in achieving their own PCI merchant certification, and allows them to quickly attest to certain sections of the PCI merchant questionnaires.

Users who want additional verification that *TotalFBO*[®] meets this standard can go to the PCI Council web site, www.pcisecuritystandardscouncil.org, click on the link to 'Get the List of Validated Payment Applications', and look in the 'H' section under Horizon Business Concepts.

In particular, when filling out your Self-Assessment Questionnaire D, assuming you follow the recommendations in the *TotalFBO*[®] PCI Implementation Guidelines documentation, you can certify Yes to all questions in sections 3 and 4 of the Questionnaire. All other sections of the Questionnaire are beyond the scope of the *TotalFBO*[®] program and are dependent on your implementation of network and physical systems and procedures outside of our program.

Should you have any questions, please feel free to contact us.

Thank You,

A handwritten signature in blue ink, appearing to read "George Lehmann", is positioned above the printed name.

Attention: George Lehmann, Vice President

Re: TotalFBO version 6.0

Dear Mr. Hsu,

This letter is to inform Horizon Business Solutions ("Vendor") that its payment application, TotalFBO version 6.0 (the "Application"), has received a grade of **PASS** from the PCI Security Standards Council (the "Council") Quality Assurance Team. Your PA-QSA has been notified of this grade as well. This letter does not represent an endorsement of the Application, but rather validation that the minimum documentary requirements have now been met.

Having achieved a passing grade, the Council will list the Application on its Validated Payment Application List upon receipt and confirmation of (i) Vendor's executed original of the enclosed PA-DSS Vendor Release Agreement and (ii) Vendor's completed version of the enclosed Payment Application Summary form. Please complete the name of the Application in the Payment Application Summary form exactly as you would like the Application to be identified on the Validated Payment Application List.

Your invoice for the annual Application listing fee should arrive at the end of May.

Please feel free to contact me with any questions you may have about this process.

Sincerely,

A handwritten signature in cursive script that reads "Nina Beardsley".
